Dear Sister Anthony Marie:

I was pleased to learn that St. Vincent's Hospital has received \$624,828.57 from the M. Luisa T. de Navarro Estate.

The income from this fund will be a great help in the care that is given to our needy Spanish-speaking people.

With prayerful good wishes to you and all the wonderful members of your staff, I am

Sincerely yours in Christ,

Archbishop of New York

Sister Anthony Marie FitzMaurice
Administrator
St. Vincent's Hospital
153 West 11th Street
New York, New York (10011)

Back in the 1920's the hospital was given a very large sum in the form of a trust from the M. Luisa T. de Navarro Estate and over the years has been receiving annual amounts from this trust. Recently, the entire matter was contested in court because it was felt by some that the funds were not being given to the needy Spanish-speaking people. St. Vincent's won the court case and now the trust in the amount of \$624,828.57 belongs to St. Vincent's Hospital and the hospital will receive the proceeds from this trust amounting to somewhere in the neighborhood of \$20,000 annually.

As per Mr. John Lane's conversation with Mr. Al VanDerveer on Wednesday, June 25, 1969.
