Re: John Lindsley Fund A

Dear Dr. Grossi:

In September, 1956, Mr. Thayer Lindsley arranged for the establishment by Northfield Mines, Inc. of a trust the income and principal of which is to be used for charitable, religious and educational purposes.

The present Trustees of such Trust are:

Messrs. Thayer Lindsley
Georges F. Doriot
William Alden Gardner
Walter Donald Kring
George Warren Tower
and
Chemical Bank New York Trust Company

The Trust is now ready to make a distribution of principal and the Trustees have decided that a contribution of \$500,000 should be made to your institution to be used as an endowment fund for your surgical research unit with the use of the income from said fund restricted to the United States of America or its possessions. Accordingly, a check for the above-mentioned amount, drawn to the order of the Department of Surgery is enclosed.

We would appreciate your acknowledging receipt of this contribution by signing and returning the accompanying copy of this letter.

Sincerely yours,

William J. Fishel
