Dear Sister Margaret:

At its recent meeting, the Board of Trustees of The Bodman Foundation authorized a grant pledge to St. Vincent's Hospital and Medical Center of New York, in the amount of \$200,000, to be paid equally in 1987 and 1988, to help meet the balance remaining in the Hospital's \$30 million Second Century Campaign, with the grant specifically allocated to the Endowment Fund for Community Medicine. A check will be forwarded to you at the end of January.

A report on the use of the grant will be expected within one year.

Sincerely yours,

Guy G. Rutherford
President
