Dear Mr. and Mrs. Matouk:

On behalf of St. Vincent's Hospital Manhattan, I want to thank you for your generous contribution of 100 shares of Encana Corporation stock valued at \$5587. Support from distinguished donors, such as both of you, enables St. Vincent's to maintain vital programs and services that improve the lives of New Yorkers everyday.

As your requested, your donation has been designated to both St. Vincent's Comprehensive Cancer Center and the Parent Education Program. Our Cancer Center provides extraordinary care to patients and their families by offering the most compassionate and humane services, which include the latest cutting-edge treatments implemented with the finest medical expertise available. Patients come from around the world to receive highly advanced care from St. Vincent's cancer specialists.

The Parent Education Program continues to serve a wide range of parents from a variety of backgrounds, including mothers who live at or below the poverty level, as well as parents who are recent immigrants and often separated from their own families by thousands of miles. Parent Education services are especially important for new parents who may not have had effective parental role models themselves and who already face many challenges on a daily basis.

St. Vincent's is able to maintain its mission of providing the highest quality and compassionate care thanks to the generosity of people like both of you who are committed to helping others. All of us at St. Vincent's are grateful for your continued support and partnership in our work.

Sincerely,

Kathleen Galvin
Executive Director
St. Vincent's Hospital Manhattan

Your name will be listed in our Annual Report Mr. and Mrs. George F. Matouk unless you instruct us otherwise.
