Mrs. George F. Matouk
101 Central Park West
New York, New York 10023

Dear Virginia,

It is with sincere gratitude that I acknowledge receipt of your recent gift of \$500 to the Parenting Education Program of St. Vincent's Hospital and Medical Center of New York. Please know that your generous support of this vital program gives us tremendous encouragement and inspiration, and is a blessing for so many families with young children.

Because of such meaningful assistance, this program continues to make excellent progress. As you know, our Parenting Education staff have now reached over 4,000 parents and children. We are working closely with parents in our clinics and have begun several parenting groups with a wide variety of participants.

At this special time of the year, as we count our blessings and reflect on all that we have to be grateful for, I want to take just a moment to thank you and George for the spirit of love and friendship which you have shared with us.

On behalf of all of us at St. Vincent's, particularly the families who are benefiting directly from your generosity, I extend to you both our warmest best wishes for a joyous holiday season and a happy, healthy New Year.

Sincerely,

Sister Margaret Sweeney
President
