Dear Virginia:

I wanted to officially acknowledge your very generous gift of \$1,000 to the Parent Education Program. You know how very much your support of the program in so many ways has made it possible. And so all of us are very grateful to you for your wonderful donation.

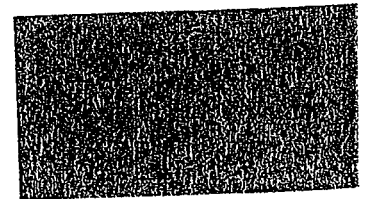

As I mentioned to you, the money will be used to provide services in the Family Resource Room. I am enclosing a copy of this year's statistics to date to show you the progress of the program this year. You know, without your very special help we could never have gotten this far.

On behalf of all of our staff, and all of the families we have provided services to, we send you and George too, our many, many thanks and love.

Love to you both,

Kathleen M. Doyle
