Dear Sister Margaret:

We are pleased to tell you that the Trustees of the Altman Foundation have awarded a grant of \$250,000. to St. Vincent's Hospital and Medical Center of New York to help begin an endowment for St. Vincent's Parenting Education Program. Our check in that amount is enclosed.

We share your belief that this early intervention provides critical support to at-risk children and families, and are happy to help you develop a sound financial base for this program. We wish you continuing success with this effort.

As in the past, we ask that a report on the development of the program and on the use of these funds be sent to Ms. Karen L. Rosa, our Associate Director, within the next twelve months.

Sincerely,

John S. Burke  
President
