Dear Dorinda and Mark,

It is with great joy that we acknowledge your extremely generous gift of \$250,000 to the "Advancing the Art of Healing" campaign, designated for the Supportive Care Program, Saint Vincents Hospital. As we understand it, this is the first of a two-part pledge specifically donated to the Supportive Care endowment.

Hopefully you are as excited about this gift as we are, for it will help us begin the bereavement program that we have talked about for years! This gift will provide the foundation for a comprehensive program of services for the bereaved here at Saint Vincents. I am so thrilled to embark on this additional aspect of our work.

Your wonderful generosity, support and friendship is deeply appreciated. The Staff joins me in wishing you a happy and healthy New Year.

Sincerely,

Kathleen C. Perry
