Dear Jane:

On behalf of the Board of Trustees and Saint Vincents Hospital and Medical Center, I wish to express my sincere thanks for the Altman Foundation's check in the amount of \$300,000 for Saint Vincents Hospital's Department of Pediatrics endowment.

As always, the Altman Foundation's concern for the continuing success of the Hospital and its mission is greatly appreciated. We are honored by the Altman Foundation's long-time friendship and dedication to the Hospital and to the many children who are the beneficiaries of its generosity.

It was a pleasure to meet with you and Karen Rosa. Joe Savage and I were happy to have the opportunity to discuss the status of the Hospital and the Pediatric Department with you both. We look forward to keeping you apprised of the work of the Department throughout the coming years.

On behalf of the entire Saint Vincent's family, I wish you a most joyous Christmas and a very Happy New Year!

Sincerely,

Dear Jane:

On behalf of the Board of Trustees of Saint Vincents Hospital and Medical Center, I wish to express our sincere appreciation for your generous gift of \$300,000 to the hospital's Department of Pediatrics endowment. The Foundation has now provided the \$1.5 million that the hospital requested in 1993. We are most grateful for your generosity and devotion. Thanks to the Altman Foundation, the Department of Pediatrics is now much stronger and able to meet the changes in health care with much more confidence.

The Department of Pediatrics continues to grow stronger by the day. Thanks to your generosity, Saint Vincent's has been able to attract other gifts to important programs within the Department. The Parent Education Program, which has benefitted from your generosity in the past, now has an endowment approaching \$750,000. And just last month, a family agreed to give \$500,000 to endow the Child Life Program. These gifts -- and others like them -- have been possible, in part, because of the excitement generated by the Altman Foundation's gifts.

In accordance with your wishes, we will send a narrative report about the Department, as well as a budget detailing the expenditure of the grant funds, to Ms. Karen L. Rosa within the next twelve months.

Jane, the Altman Foundation has been a wonderful friend for many, many years. We are truly grateful for your support of the Department of Pediatrics. On behalf of the children we serve, I thank you. My best wishes to you and everyone at the Foundation for a very Happy New Year.

Sincerely,
