Dear Ms. Black:

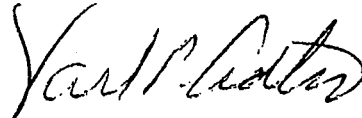

On behalf of Saint Vincents Hospital and Medical Center, thank you for your support of our proposal to the William Randolph Hearst Foundation. We have received notice that the Foundation has approved a grant of \$50,000 designated towards our Department of Pediatrics endowment.

The generous grant from the Hearst Foundation will strengthen the Department of Pediatrics and help to ensure that it remains a valuable resource to children and families in New York for years to come.

Your willingness to support the proposal was decisive in attaining the gift. We are very grateful. I hope to have the opportunity to meet you in person in the near future.

Congratulations on your success and bright start at Hearst!

Best wishes,

Karl P. Adler, M.D.
