Dear Mr. and Mrs. Concannon:

On behalf of St. Vincent's Hospital Manhattan, please accept my sincere gratitude for your recent donation of \$50,000 to the Helen Mara Nugent Child Life Program. This donation fulfills the Concannon Family Foundation's most generous pledge of \$500,000, designated for Child Life in 1998. This special donation, made in memory of your mother, has created a lasting legacy in her name.

Child Life is such a wonderful program that touches every child who is cared for in our Department of Pediatrics and many seen in our Emergency Room. Through special services such as Child Life, St. Vincent's is able to enhance the medical care provided to children in all stages of sickness and recovery and also address the needs of their families.
