Services

Saint Vincent  
Catholic Medical Centers  
Home Health Care

St. Christl Hospice

Thank you for your recent donation of \$10,000 to St. Vincent's Hospital Manhattan in memory of Ms. Danielle Sheahan. Please know you have our most sincere condolences during this difficult time. As you have designated, this gift will be applied to support our Comprehensive Cancer Center.

For nearly 160 years, St. Vincent's has been meeting the healthcare needs of generations of New Yorkers. Your gift will help us continue to provide the full range of quality healthcare services in a compassionate and caring setting.

St. Vincent's Hospital Manhattan serves over 200,000 patients every year, and we are committed to offering new approaches to care that improve treatments and outcomes for all our patients. We hope to build a new St. Vincent's Hospital in the coming years, that will be all-green, all-digital, and the first new hospital built in New York City in over three decades.

St. Vincent's is able to provide the care so many rely on through the generosity of people who are committed to helping others. On behalf of the many patients and families we serve each day, thank you for your support of our healthcare mission.

Sincerely,

Catherine S. Callagy  
Senior Vice President, Fund Development
