Dear Mr. Shyamalan:

Thank you for your recent donation of \$12,500.00 to St. Vincent's Hospital Manhattan in honor of Azra Raza, MD. We will be sure to provide notification to Dr. Raza of this contribution. As you have designated, this gift will be applied to support our Comprehensive Cancer Center. For nearly 160 years, St. Vincent's has been meeting the healthcare needs of generations of New Yorkers. Your thoughtful contribution in support of Dr. Raza's work will help us continue to provide the full range of quality healthcare services in a compassionate and caring setting.

St. Vincent's Hospital Manhattan serves more than 200,000 patients every year with more than 64,000 visits to our Emergency Department. We are committed to new treatments and technologies that enhance the care for all of our patients. St. Vincent's strives to provide the latest in new techniques offered by a distinguished group of physicians, nurses and other care providers. We continue to strengthen our programs and establish several new treatment areas, including our world class cardiovascular services, our cancer care initiatives, and our obstetrical and gynecological activities—all in an effort to offer the highest level of healthcare to the communities we serve.

We are able to provide the care so many rely on through the generosity of people who are committed to helping others. On behalf of the many patients and families we serve each day and throughout the year, please accept our deepest appreciation for your support of our healthcare mission.

Sincerely,

Catherine S. Callagy
Senior Vice President, Fund Development

Acknowledgment of this contribution is hereby provided pursuant to Internal Revenue Service code section 170 (f) (8). SVCMC Foundation provided neither goods nor services.
