Thanks Mark. I appreciate your sentiment and your professionalism.  
Also- I am in the process of arranging my gift. I intend to make it in two parts- one payment in 2007 and one in early 2008 for tax purposes. It will most likely be transfer of appreciated securities and the two payments will be approximately \$25k each. I meet with my financial advisor on Monday and hope to be back to you next week. I also have some gifts that were sent to me for devleiry to St Vincents. I will be sneidng those out by mail today .

Hi Chris,

Understood. I will get to the bottom of things tomorrow and get right back to you with my findings.  
Again, I appreciate your patience.

Also, please allow to express my condolences to you. I know Joan and I have had some in-depth conversations about Devin, but forgive me for not mentioning that to you earlier.

I will be in touch tomorrow.

Thanks Chris,

Mark

Thanks for the prompt reply and for your explanation. I look forward to receiving an updated list with all contributors to date and with a total amount. Let's make srue we are getting all of these tracked and credited properly. I am in an embarrassing situation of running in to people who told me the sent and have not rec'd acknowledgement or had checks cashed. Discounting for those folks who simply made it up and told me theat they controbtuired when they did not,

that still leaves some holes.

Thanks

Hi Chris,

Ashley is gone for the day, but I wanted to respond to you promptly. You are correct, I do not see Longo and McCartney's names on this list. The Manager of Donor Information, Liz Bonet, will return to work tomorrow and I will discuss the matter with her and get to the bottom of it.

Although I can understand your reasons for wanting to know the amounts of people's gifts, it is St. Vincent's policy not to divulge that information on privacy grounds. I am relatively new here and was just told I should not have even divulged the McCartney and Longo gift amounts...even if it was in an informal e-mail to Joan. I can however give you the total amount raised to date, so that you can adjust your gift accordingly. I will have Liz give us an up to date total tomorrow.

As for the checks from Young and Kosar, I will also speak with Liz about the lag. I am sure it is due to the heavy volume of donations coming in at this time of year and the fact that we have a very small gift processing operation...it consists of just Liz and Ashley.

In any event, I will have answers for you tomorrow.

Thank you for your patience,  
Mark Hogan

Thank you for this update. However, this list does not reflect all contributions you received. Mark shared with me via an informal email about 2 weeks ago names like Longo and McCartney that made substantial gifts that are not included on this letter. Can you go back and include all donations received.

In addition is there a reason why the amount is not included? We are targeting to raise a certain amount and my personal contribution will be based on how much others send and what I need to make up in order to reach our target. In addition I would like to send my personal notes of thanks to people and there will certainly be different versions based on the relative amounts given.

Finally certain of these checks have not yet been cashed or acknowledged as received according to the donors- Fran Young and Annette Kosar are 2 examples. Can you provide some insight as to what I can tell people?

Thanks,

Chris Reddy
