

## THE PAUL ROBERT CAREY FOUNDATION

### VIA FEDERAL EXPRESS

December 17, 2008

Catherine S. Callagy  
Senior Vice President, Fund Development  
Saint Vincent Catholic Medical Centers  
170 West 12<sup>th</sup> Street, Smith Building, 5<sup>th</sup> Fl  
New York, NY 10011

Dear Catherine,

On behalf of the Paul Robert Carey Foundation I am pleased to award you \$10,000 for continued work at Saint Vincent Catholic Medical Centers for the Paul Carey Quality of Life Fund.

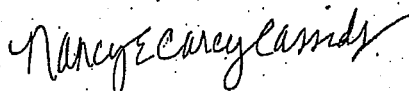

The board of the foundation is pleased that Saint Vincent Catholic Medical Center has been able to meet the mission of the foundation by helping patients enhance or maintain their quality of life while pursuing medical treatment.

Please note these funds are restricted for use by SVCMC per your grant application of January 28, 2008 and are not to be used for overhead or administrative costs.

In order to fund the next phase of the grant, please submit a letter indicating the amount you are requesting as well as how the funds will be used. It is required this letter be sent directly to the Paul Robert Carey Foundation at 20 Corporate Woods Boulevard, Albany, NY 12211. If the mission of the program changes a new grant application may be necessary. The Foundation also requires semi-annual stewardship reports.

The grant committee of the foundation looks forward to an ongoing working relationship between the Paul Robert Carey Foundation and Saint Vincent Catholic Medical Centers.

Sincerely,  
Paul Robert Carey Foundation

Nancy E. Carey Cassidy  
Vice Chair
