On behalf of St. Vincent's Hospital Westchester and the Auxiliary Board, thank you for your \$250 donation towards the 2007 St. Vincent's Freshman Dance.

Her attendance at the dance helped raise more than \$44,000 that will directly support the growth and development of St. Vincent's Hospital Westchester Behavioral Health Centers of Excellence in Ambulatory/Outpatient Care. Expanded services and renovations to the environments of care will positively impact existing, and new programs for children and families, mature adults, the developmentally disabled and chemically dependent populations in need of our care throughout Westchester.
