Dear Mr. Parish,

On behalf of all those we serve, our staff and the members of the advisory board of trustees at St. Vincent's Hospital Westchester, I would like to thank you for your generous gift of \$1,250.00 dated 7/16/07 in memory of John and Harriet LaRocque.

Your donation will help support the growth and development of St. Vincent's Hospital Westchester Behavioral Health Centers of Excellence in Ambulatory Care. Expanded services and renovations to the environments of care will positively impact existing, and new programs for children and families, mature adults, the developmentally disabled and chemically dependent populations in need of our care.

Thank you again for your continued generous recognition of the essential mental health and substance abuse services we provide to hundreds of children, adolescents and adults each day.

Sincerely,

Brian L. Fitzsimmons, Ph.D.
