Dear Mr. and Mrs. Aaronson,

On behalf of St. Vincent's Hospital Westchester, thank you for your \$200.00 donation towards the 2006 St. Vincent's Freshman Dance. Your tax-deductible portion is \$37.69 per ticket purchased.

We certainly hope your daughter had a wonderful time. Her attendance at the dance helped raise \$30,000 that will directly support the behavioral health treatment programs St. Vincent's Hospital Westchester provides for individuals with special needs, including the elderly and people who are developmentally disabled and also dealing with a mental illness. These patients often require support services that insurance will not cover, but is important to their long-term recovery.

For more than 50 years the Auxiliary Board has supported the behavioral health and chemical dependency programs offered at St. Vincent's Westchester. Their charity and volunteerism embodies the mission of St. Vincent's: "to treat all who come to us in need with respect, integrity and compassion, especially the poor."

Fifteen years ago, the Auxiliary initiated the Youth Awards to encourage young people to make a personal contribution in their communities and develop life-long patterns of volunteerism. High School Sophomores, Juniors and Seniors, who have demonstrated outstanding service to their community, are eligible for the award.

We invite you to review the enclosed flyer, to see if your daughter or son may be eligible for this honor, which will be celebrated at a reception in May, 2007.

Thank you again for supporting the Freshman Dance and St. Vincent's Hospital Westchester.

Sincerely,

Bess Ames
