Mr. Peter Mele
Executive Director
Barclay's Open
PGA Tour Inc.
Westchester Country Club
Rye, New York 10580

Dear Peter,

On behalf of the patients and staff of St. Vincent's Hospital Westchester, I extend my sincere thanks for the Barclay's Open, PGA Tour, Inc.'s generous \$20,000 gift.

Your generosity this year will directly benefit much needed expansion of designated Intensive Care areas at St. Vincent's Westchester. We utilize the Intensive Care areas to provide the highest quality of care to our most fragile patients until they are ready to be part of the unit milieu.

St. Vincent's Hospital Westchester continues to serve more adults seeking behavioral health services than any other institution in the county.

The need for our care continues to grow for individual and family counseling, chemical dependency services, programs for emotionally disturbed children and adolescents, and the seriously mentally ill. St. Vincent's also provides bilingual/ bicultural treatment services and community outreach throughout the county.

Thank you, again, for your dedication to St. Vincent's Hospital Westchester and the Behavioral Health Services Division. We look forward to a long and productive working relationship which will continue to benefit those most in need of our services.

Sincerely,

Brian L. Fitzsimmons, Ph.D.
Senior Vice President
Executive Director, Behavioral Health Services
