Dear Mr. Glennon,

On behalf of all those we serve, our staff and the Board of Saint Vincent's Hospital Westchester, I would like to thank you for your generous support of our 125th Anniversary Gala held on May 11, 2005. Your generous gift of \$7,500.00 dated 4/26/2005, for a silver sponsorship, will help us meet the growing demand for our Behavioral Health services. Proceeds from the Gala will support the expansion of our outpatient services, benefit the renovation of the Seton Building, and help us establish a new Adolescent Inpatient Substance Abuse Unit.

The new Adolescent Inpatient Substance Abuse Unit will provide a vital continuum of care for the youth we treat. The unit and expanded programs will position St. Vincent's Hospital Westchester as a community resource and leader in substance abuse prevention, treatment and care throughout the metropolitan area.

Thank you again for your commitment to Saint Vincent's Hospital Westchester and our Mission to provide God's healing ministry with respect, integrity, compassion and excellence to all who come to us in need, especially the poor.

Sincerely,

Brian L. Fitzsimmons, Ph.D.
Senior Vice President
Executive Director, Behavioral Health Services
